
HINGED KNEE PADS

Designed for all-day comfort and protection for the toughest jobs

HINGED KNEE PADS

The Hinged Knee Pads from Klein Tools are designed for all-day comfort and protection for the toughest jobs. The top strap is positioned above the knee to keep the pad centered in place. The multi-layer padding system is designed to support the knees and to reduce pressure and fatigue after all-day wear. Heavy duty synthetic rubber knee caps provide ultimate protection while allowing for side-to-side mobility. Quick-release clips and adjustable elastic straps allow for easy on/off.

TOP STRAP ALLOWS FOR LEG MOVEMENT TO IMPROVE COMFORT.

Top strap is positioned above the knee to reduce shifting and to keep the knee pad centered

Breathable mesh and neoprene lining to keep you cool

Quick-release clips secure upper and lower straps for easy on/off

Lightweight multi-layer pressure absorbing padding system provides heavy duty knee support for all-day comfort

Durable slip-resistant rounded synthetic rubber knee caps grip work surfaces for ultimate stability while allowing side-to-side mobility

Adjustable elastic straps allow for a custom fit

For Professionals
