

Zip-in® Self Piercing Sheet Metal Screws

★★★★★ [1 Reviews](#) | [Write a Review](#)

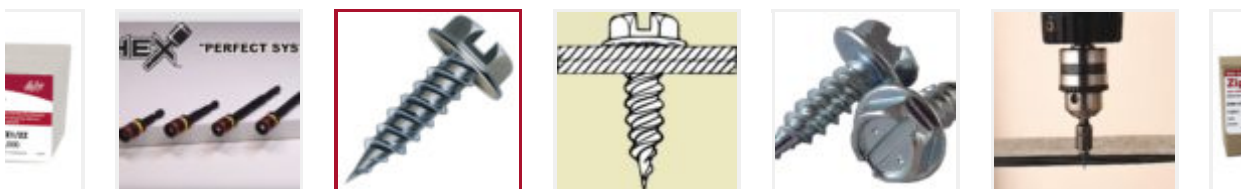

Malco's Zip-in® Screws are known for their superior quality and is considered by many for being the best screw choice for HVAC metal duct fastening.

A unique thread design and quality controlled manufacture spell the Zip-in® sheet metal screw difference. Zip-in's® are made with a sophisticated heat treat process which allows the screw to taper to a fine, sharp point without sacrificing critical point strength. A single starting thread is formed down to the very tip of the point and is the source of Zip-in's® penetrating power. A second thread above the point engages after initial penetration and drills in the screw double fast. Malco's Zip-in® screws are faster driving, with a greater capacity for fastening heavier gauges of sheet metal than any other self-piercing type.

For the best performance, use any Zip-in® Sheet Metal Screw with a Malco [C-RHEX™ Cleanable, Reversible Dual Sided Hex Driver](https://www.malcoproducts.com/product/c-rhex-dual-sided-magnetic-hex-drivers/).

Rated #1, Zip-in® Screws are the Best Selling Sheet Metal Screw Worldwide.

FEATURES

- Undercut-indented hex washer slotted head
- Bright Zinc Plated
- Burr Free
- Full 1/4" (no. 8) head will not strip out of hex driver opening
- One 1/4" hex driver accommodates all sizes
- Undercut – always seats flush
- Some screws sizes available in pails.
- ® Trademarked & Patented Head Markings indicate one and only genuine Zip-ins. U.S. Patent No. D524,638

Combination Lead Double Thread Design

- Single starting thread machined down to very tip of screw point.
- Instantly penetrates and engages in heavy gauge sheet metal and layered light gauge.

Consistent Hard Point

- Quality controlled heat treat
- Sharp tapered point will not mushroom or break
- No walking

SPECIFICATIONS

Catalog #	Description	Head size	Package Size Available
HW6x3/8Z	Zip-in	1/4 in.	Boxes, Tubs, Bulks
HW7x1/2Z	Zip-in	1/4 in.	Boxes, Tubs, Bulks, Pails
HW8x1/2Z	Zip-in	1/4 in.	Boxes, Tubs, Bulks, Pails
