

MICROWAVE LEAK DETECTOR

MA-12845

Detects microwaves leaking from microwave ovens FDA & EPA have set the safety standard at 5mW/cm2 LED will flash and beeper will sound when leak is above 5mW/cm2. Includes Soft Case.

SPECIFICATIONS:

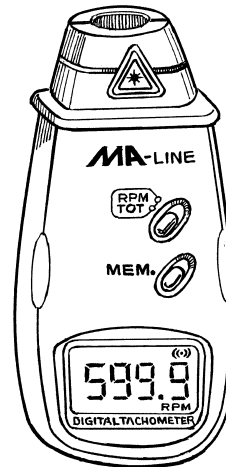

Function	Range
Calibrated	2450MHZ
Range	0-9.99 mW/cm2
Warning Value	5.0mW/cm2
Battery	9V battery

Part	Description
MA-12845	Microwave Leak Detector

TACHOMETER

The MA-Line tachometer is made up of a strong lightweight ABS housing. This housing has been shaped to fit comfortably in either hand.

This unit is ideal for measuring RPM on motors, gears, pulleys, compressors and much more.

MA-12842

FEATURES:

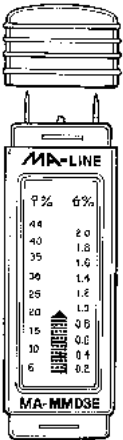

- Auto-ranging
- Wide Measuring Range
- Memory Call Button
- Reflective Mark
- Signal Light Beam
- Laser Warning Symbol
- Measure Button
- RPM Switch
- TOT Switch (Total)
- Carrying Case

SPECIFICATIONS:

Function	Range
Test Range	2.5 to 99,999 RPM
Batteries	4-AA

Part	Description
MA-12842	Photo Non-Contact Tachometer
MA-12844	Reflective Tape
MA-MC123	Carrying Case

LCD MOISTURE INDICATOR FOR WOOD, DRYWALL OR CONCRETE

MA-MMD3E

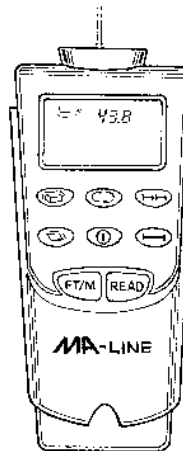

FEATURES:

- Measures Moisture from 0-100%
- Hold Switch (Press and Hold) to Freeze the LCD Reading During Moisture Measuring.
- Low Battery Indicator
- Hold Icon Display
- Protective Cover
- Replaceable Test Probe Pins
- Battery LR44

Part	Description
MA-MMD3E	Moisture Indicator
MA-MC123	Carrying Case

LASER TAPE MEASURE

MEASURES DISTANCE, HEIGHT, AREA AND VOLUME FAST AND EASY

MA-7409 Part
MA-7409
MA-MC123

FEATURES:

- LED Display
- Data Recall
- On/Off Button

SPECIFICATIONS:

Function	Range
Measurement	2 ft. to 50 ft (0.6 to 15M approximately.)
Laser Indicator	
Battery	1-9V (Included)

Part	Description
MA-7409	Laser Tape Measure
MA-MC123	Carrying Case

COMBUSTIBLE GAS INDICATOR PEN TYPE

NATURAL GAS (METHANE), LPG (PROPANE, BUTANE)

MA-NG2000-A

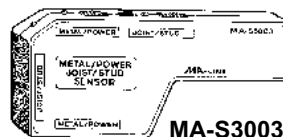

SPECIFICATIONS:

Function	Range
Detectable Gases	Natural Gas Petroleum Gas
Power	DC
Battery Size	2 AA
Alarm Method	Visual Audible Alarm
Working Conditions	Temp:-4 to 131F (-20 to 55C) Humidity: 95%RH

Part	Description
MA-NG2000-A	Portable Gas Indicator

POWER METAL / STUD SENSOR

Electronically locates cables, gas and water pipes. Traces hidden ceiling joists and wall studding. Helps prevent accidents when drilling or sawing. Senses presence of main power without touching live wires. Incorporates audio signal and indicator light; CE approved.

MA-S3003

Part	Description
MA-S3003	Metal Power/Stud Sensor
